Dear Epstein Hillel School family,

President

Izzi Abrams

Thank you for your interest in *J Adventure*. The JCCNS is excited to provide the benefits of a shared campus with Epstein Hillel School students!

Interested in signing up for an after school class without child care?

J Adventure staff will escort your child to their 3:15pm or 3:30pm class as a courtesy, and if your child is not picked up by the end of class, we will include them in *J Adventure* for childcare until you are able to pick them up.*

Treasurer

Michael Goldstein, MD

Are you unable to pick up your child at school dismissal time?

We have two great options for you - register for childcare until 4pm or 6pm! Your child can enjoy snack, free play, and homework time with our trained staff. For those staying past 4pm, they will also take at least one Enrichment Class and you have the freedom and flexibility of picking up any time before 6pm.**

Secretary

Kate Clayman

Did you know that *J Adventure* is a licensed after school program through the Massachusetts Department of Early Education and Care? We are happy to accommodate a variety of family needs while also meeting these high standards of care.
