Dear *J Adventure* Applicant,

Thank you for your interest in *J Adventure*, the JCCNS's award-winning after school program for children in Kindergarten through 6th grade. I know that you have options for after school childcare, and am excited that you have decided to pursue *J Adventure* for your child! We are busy planning for the year ahead and cannot wait to welcome new and returning friends in September!

We hope to continue transportation from Stanley and Hadley schools and expand to Clark School! As long as we have minimum enrollment each day from each school, we will be able to move forward with this plan!

This packet outlines our admissions process for the 2018-2019 school year, and includes all necessary forms. Please make note of our checklist, which will help you ensure completeness of your child's application.

Please email or call me at jstephens@jccns.com and 781.476.9901 with any questions you have. I look forward to reviewing your application and meeting with you to discuss your child's application to our program.

Sincerely,

Jessie Stephens
