# J ADVENTURE

*J Adventure* childcare is the North Shore's most trusted and enriching after-school program, led by experienced educators and trained staff. We offer childcare for grades K-6 until 6pm, Monday-Friday. Transportation to the J is also available from: Coffin, Eveleth, Glover, Village, Hadley, and Stanley Schools, as well as Swampscott Middle School.

## CHILDCARE TO MEET YOUR FAMILIES' NEEDS!

*J Adventure* for Kindergarteners: our youngest students enjoy a smaller setting with consistent staff, daily enrichment activities in their classroom, and free play, too! Designed specifically to help with their transition to elementary school and to J Adventure. Students in Kindergarten can register for classes or stay in childcare only.

*J Adventure* for 1st-3rd graders\*: Our classic after school model, which balances childcare and enrichment classes, caters to our lower elementary students as they move into exploration outside of the classroom.

*J Adventure* for 4th-6th graders\*: Our older participants now have a room for hanging out, homework, and activities – the best balance of supervision and freedom at the J!

*\*1st-6th graders in J Adventure childcare after 4pm must enroll in enrichment classes (see following pages for class options).*

**Choose to bring your child to a class or ask to be added to our *J Adventure* childcare and transportation wait list today!\*\***

We consider all classes to be inclusive for children with varying abilities and needs. If your child needs support to fully participate, please contact Youth and Family Director, Jessie Stephens, at [jstephens@jccns.com](mailto:jstephens@jccns.com) prior to registering for a given class to ensure appropriate staffing.

*\*\*J Adventure childcare participants are escorted to classes, while those in Enrichment Classes only must be accompanied by an adult for their classes. As per JCCNS policy, children must be supervised by an adult at all times.*
