I. KinderCamp Program

A. Hours of Operation

KinderCamp runs from 9:00am-1:00pm. Campers must register for our five-day program.

Arrival and Departure Procedures:

- **Drop-off**

8:15am - 9:00am

During this time there will be a staggered drop off. Each group will be assigned a ten minute time slot to arrive at the camp site check-in point. If you miss your assigned drop off time, you will have to wait until all camper groups have been checked in. Siblings will be permitted to check in together.

2. Pick-up

12:15 - 1:00pm

Similar to drop off, each group will be assigned a designated pick up time. Parents and/or guardians will wait at the exit point of the campsite until your camper is dismissed to you. If you miss your designated time, you will be required to wait until all groups have been dismissed. Siblings will be permitted to be dismissed together.

3. Drop-off and Pick-up Rules

- No child may be picked up during or at the end of camp by anyone other than his/her parent or the person(s) listed on the child release form unless previous arrangements have been made by the parents, **IN WRITING**, with the camp director.
- Please make every effort to bring your child at their designated time slot on time; children tend to adjust to the routine easier when they start their day off with the rest of the group.
- Please be aware of the danger of the traffic in the parking lots and observe the one-way traffic signs during pick-up and drop-off.

***In addition, please be mindful of social distancing guidelines and signs when dropping off and picking up your child.**

6. Health/Illness Policy:

It is important that all the children are healthy and free from contagious infection. Proof of a physical examination and required immunizations must be **submitted prior to the start of camp**. The Marblehead Board of Health requires the program to keep an updated and complete form on every child enrolled in the program. **Children may not begin camp until all required forms are on file. No camper forms will be accepted on the campers first day of camp.**

- Mild Illness: If you suspect that your child is becoming ill or is not feeling well, please keep your child home. If your child develops symptoms during his/her day at camp, the following steps will be taken:
 1. The Camp Nurse/Health Care Supervisor will assess if the child can reasonably participate in camp activities. The following will be noted:
 - symptoms
 - when it began/how long it lasted
 - how much/often
 - behavior change
 - temperature
 - any other information
- Parent/Guardian will be contacted immediately.
 - a. In the case of a contagious illness: If your child should show any signs of contagious illness, a parent/guardian will be contacted immediately. If the parent is unable to come for the child, one person from the emergency contact list must be immediately available. We will arrange for the child to be picked up by one of the names listed on the Emergency Release Form in your child's file. All contagious diseases and viruses need to be reported immediately so that we can inform our local board of health and other families about potential exposure. Some examples are: Covid-19, chicken pox, German measles, mumps, scarlet fever, whooping cough, and strep throat.

b. When should a child stay home If your child is too sick to participate in our scheduled activities, or requires specialized/individualized attention due to their present health condition, or you answer yes to any of these questions:

- Fever (above 100.0 or higher, felt feverish, or had chills)
- Cough
- Sore throat
- Difficulty breathing
- Gastro-intestinal symptoms (diarrhea, nausea, vomiting)
- Headache
- New loss of smell or taste
- New muscle aches
- Any other signs of illness
- Or have had close contact in the past 14 days with a person known to be infected with Covid-19.

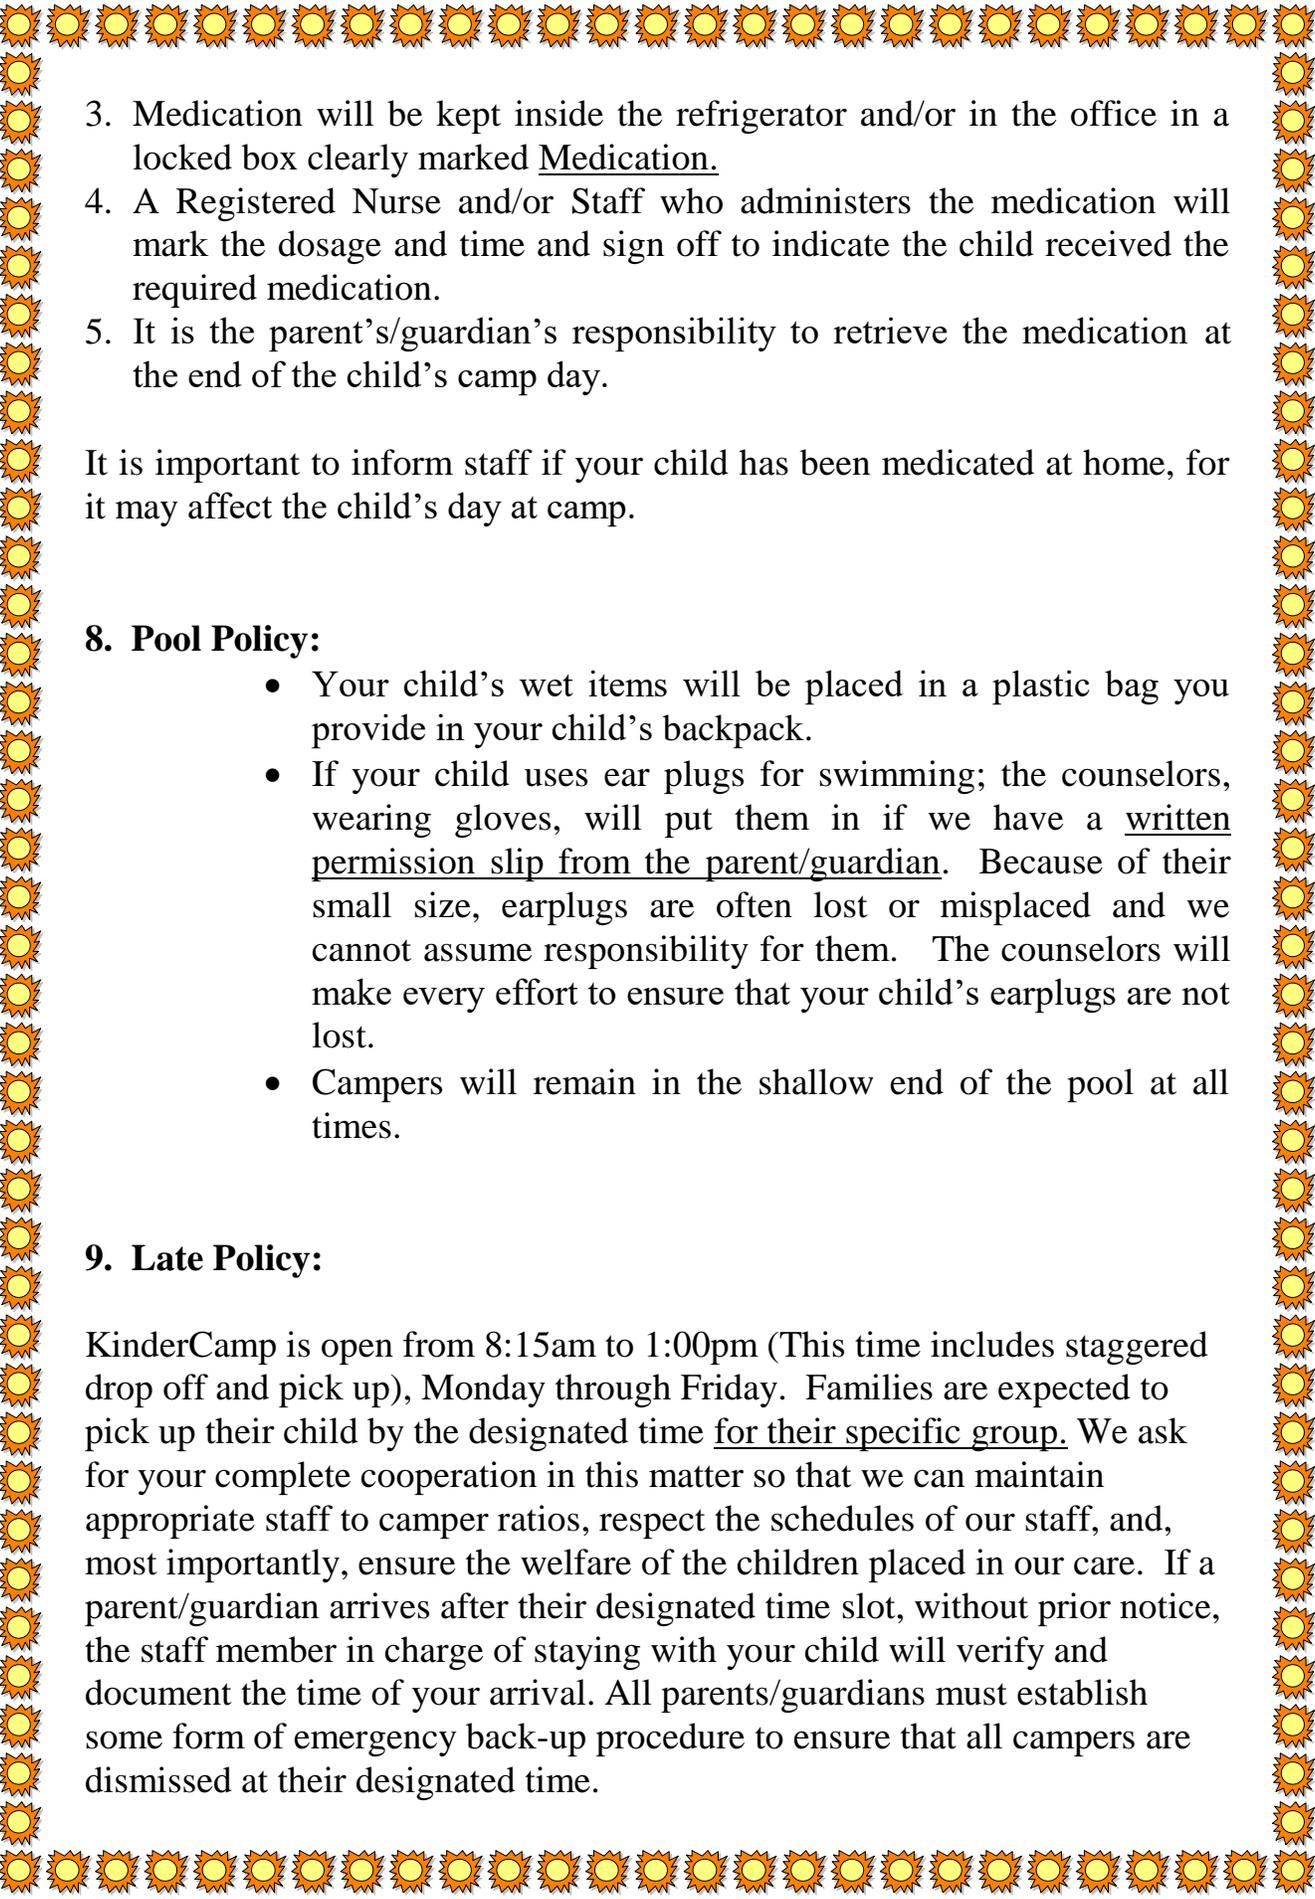

c. Re-entering the Program: If a child is absent due to contagious disease, they may return to camp after being on an antibiotic and fever free for a full calendar day. A written note from the child's physician is also required. These same requirements apply if your child is out sick for more than one week.

If your child is absent due to Covid-19 related Symptoms or Illness, they must quarantine for the full 14 days and must have a physician's clearance in writing to return to the program.

7. Medication Policy:

If your child must receive medication while at camp, the following steps must be taken:

1. Parent/guardian must fill out a Permission to Administer Medication Form and hand the form along with the medication to the head counselor or the camp's director.
2. Medication must come in to the camp office in the original container.

- 
3. Medication will be kept inside the refrigerator and/or in the office in a locked box clearly marked Medication.
 4. A Registered Nurse and/or Staff who administers the medication will mark the dosage and time and sign off to indicate the child received the required medication.
 5. It is the parent's/guardian's responsibility to retrieve the medication at the end of the child's camp day.

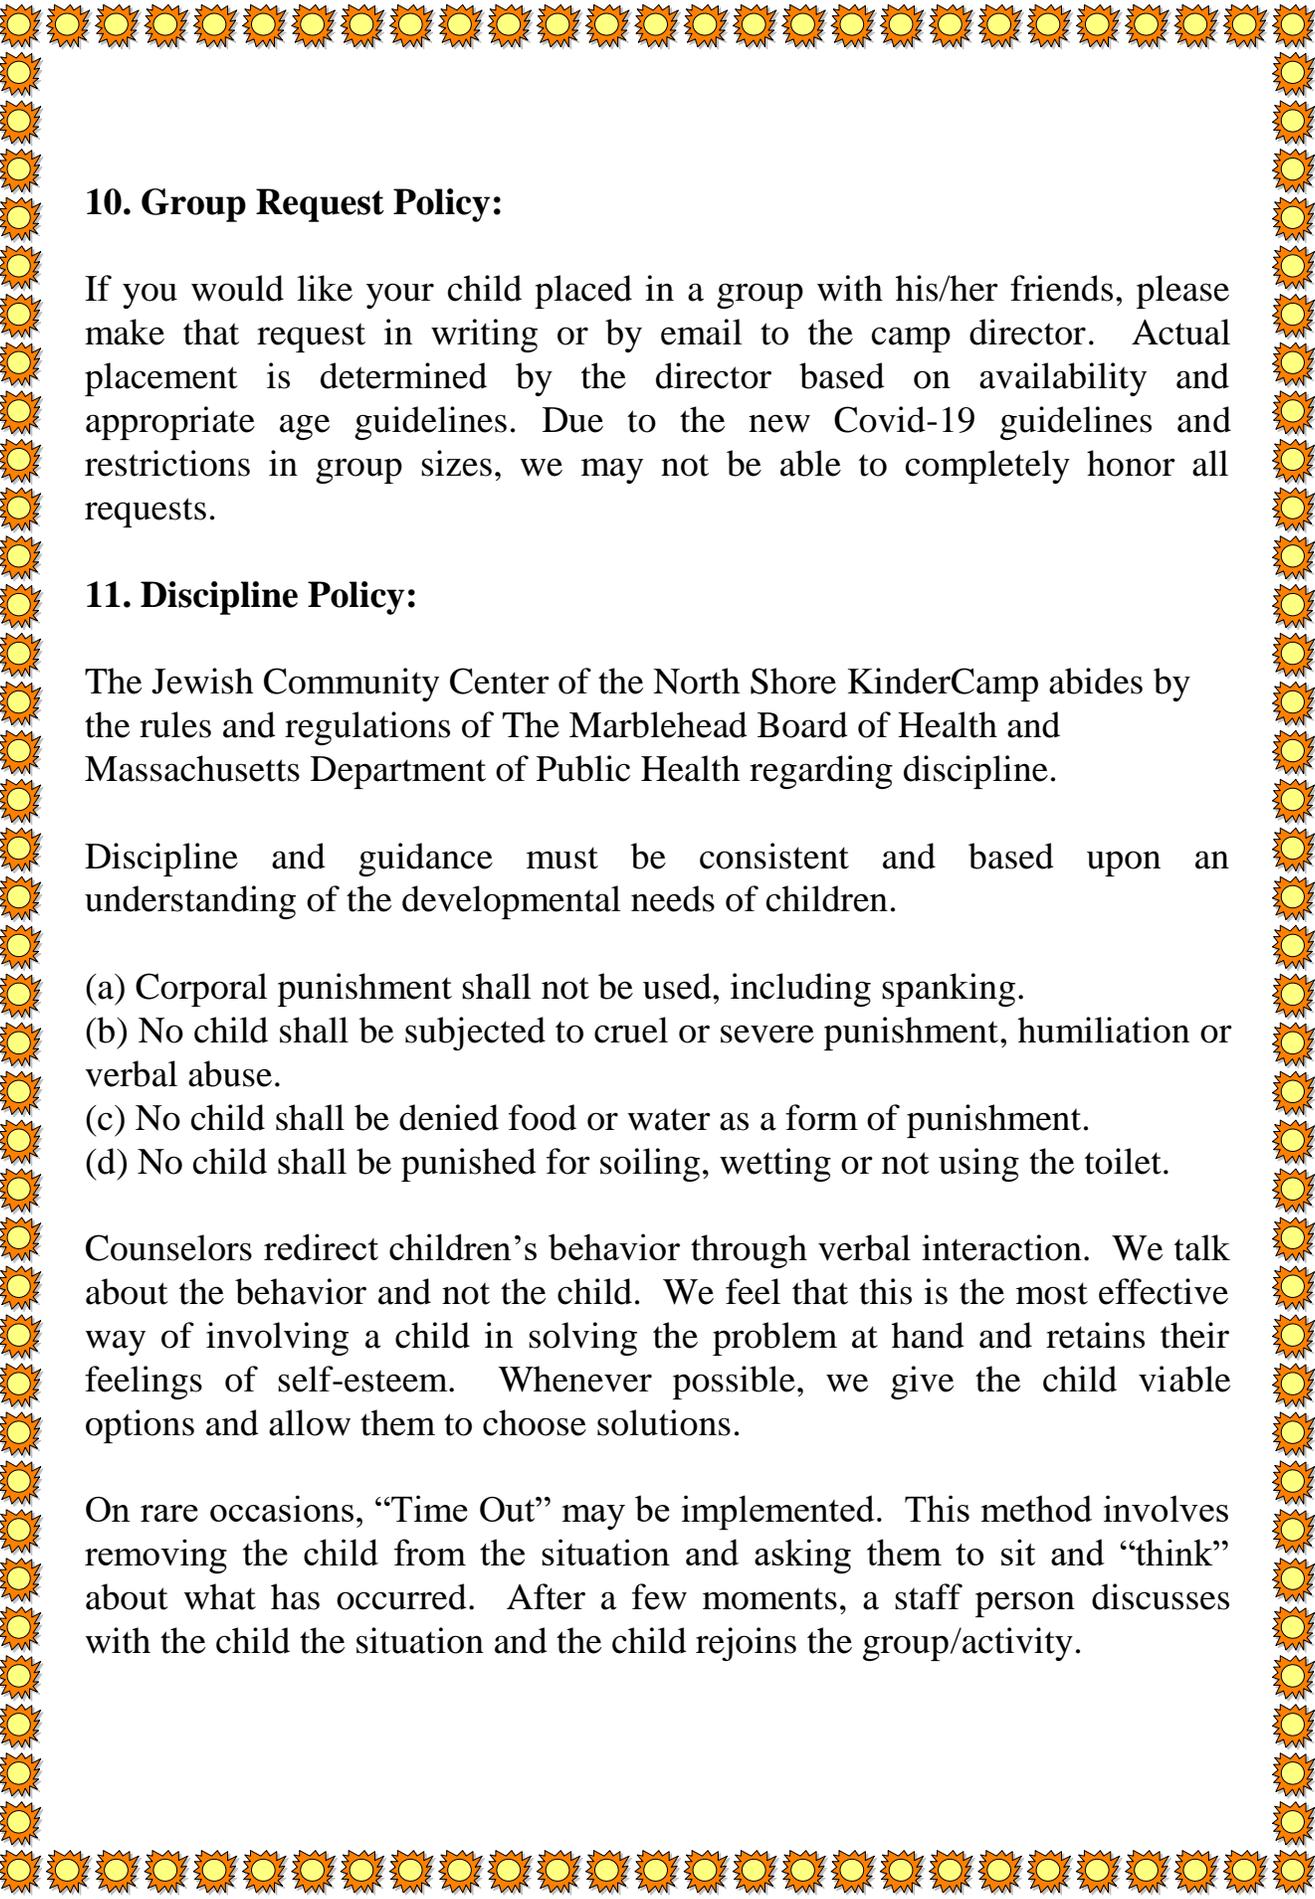

It is important to inform staff if your child has been medicated at home, for it may affect the child's day at camp.

8. Pool Policy:

- Your child's wet items will be placed in a plastic bag you provide in your child's backpack.
- If your child uses ear plugs for swimming; the counselors, wearing gloves, will put them in if we have a written permission slip from the parent/guardian. Because of their small size, earplugs are often lost or misplaced and we cannot assume responsibility for them. The counselors will make every effort to ensure that your child's earplugs are not lost.
- Campers will remain in the shallow end of the pool at all times.

9. Late Policy:

KinderCamp is open from 8:15am to 1:00pm (This time includes staggered drop off and pick up), Monday through Friday. Families are expected to pick up their child by the designated time for their specific group. We ask for your complete cooperation in this matter so that we can maintain appropriate staff to camper ratios, respect the schedules of our staff, and, most importantly, ensure the welfare of the children placed in our care. If a parent/guardian arrives after their designated time slot, without prior notice, the staff member in charge of staying with your child will verify and document the time of your arrival. All parents/guardians must establish some form of emergency back-up procedure to ensure that all campers are dismissed at their designated time.

10. Group Request Policy:

If you would like your child placed in a group with his/her friends, please make that request in writing or by email to the camp director. Actual placement is determined by the director based on availability and appropriate age guidelines. Due to the new Covid-19 guidelines and restrictions in group sizes, we may not be able to completely honor all requests.

11. Discipline Policy:

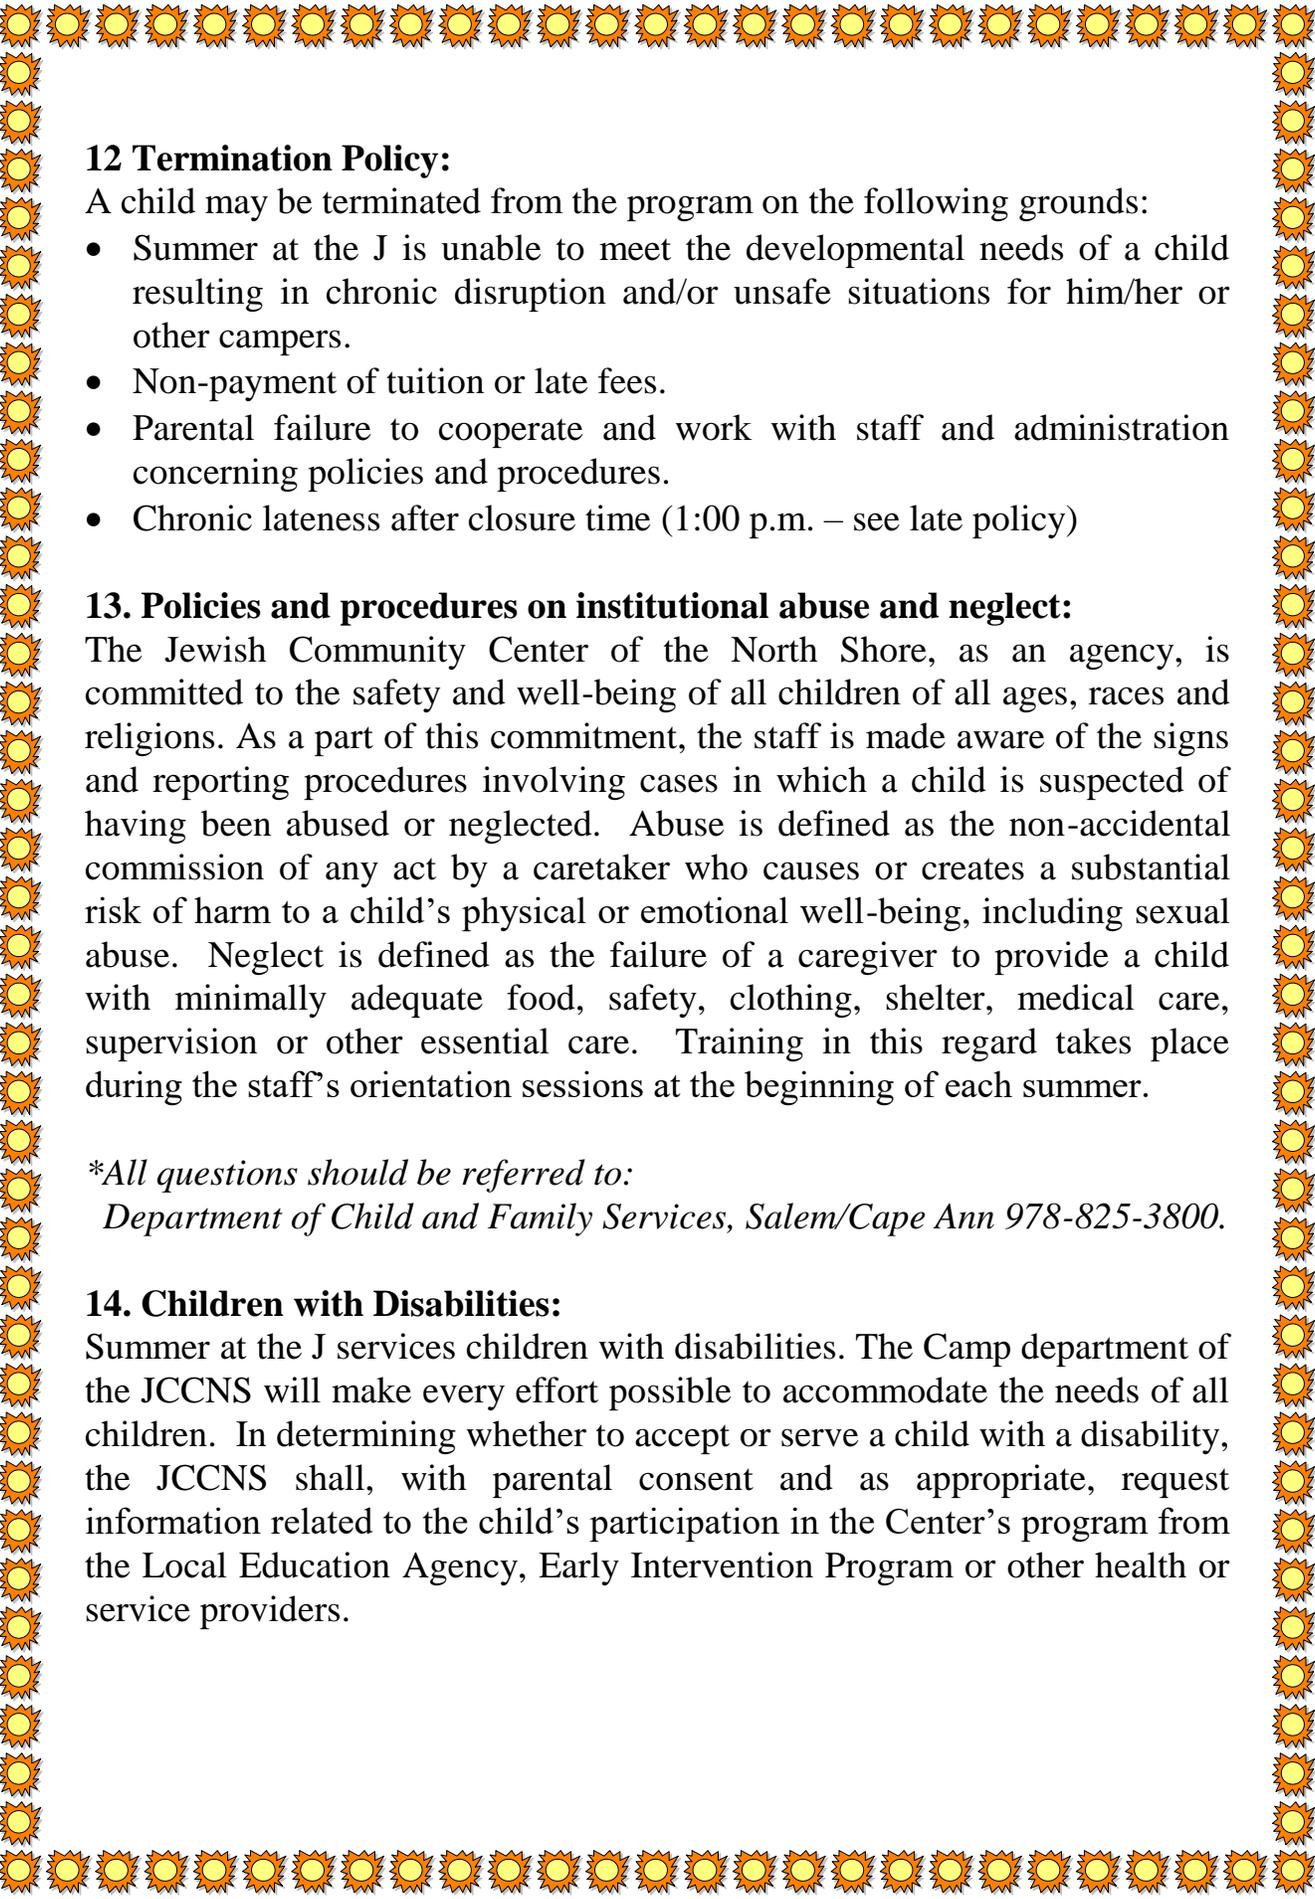

The Jewish Community Center of the North Shore KinderCamp abides by the rules and regulations of The Marblehead Board of Health and Massachusetts Department of Public Health regarding discipline.

Discipline and guidance must be consistent and based upon an understanding of the developmental needs of children.

- (a) Corporal punishment shall not be used, including spanking.
- (b) No child shall be subjected to cruel or severe punishment, humiliation or verbal abuse.
- (c) No child shall be denied food or water as a form of punishment.
- (d) No child shall be punished for soiling, wetting or not using the toilet.

Counselors redirect children's behavior through verbal interaction. We talk about the behavior and not the child. We feel that this is the most effective way of involving a child in solving the problem at hand and retains their feelings of self-esteem. Whenever possible, we give the child viable options and allow them to choose solutions.

On rare occasions, "Time Out" may be implemented. This method involves removing the child from the situation and asking them to sit and "think" about what has occurred. After a few moments, a staff person discusses with the child the situation and the child rejoins the group/activity.

12 Termination Policy:

A child may be terminated from the program on the following grounds:

- Summer at the J is unable to meet the developmental needs of a child resulting in chronic disruption and/or unsafe situations for him/her or other campers.
- Non-payment of tuition or late fees.
- Parental failure to cooperate and work with staff and administration concerning policies and procedures.
- Chronic lateness after closure time (1:00 p.m. – see late policy)

13. Policies and procedures on institutional abuse and neglect:

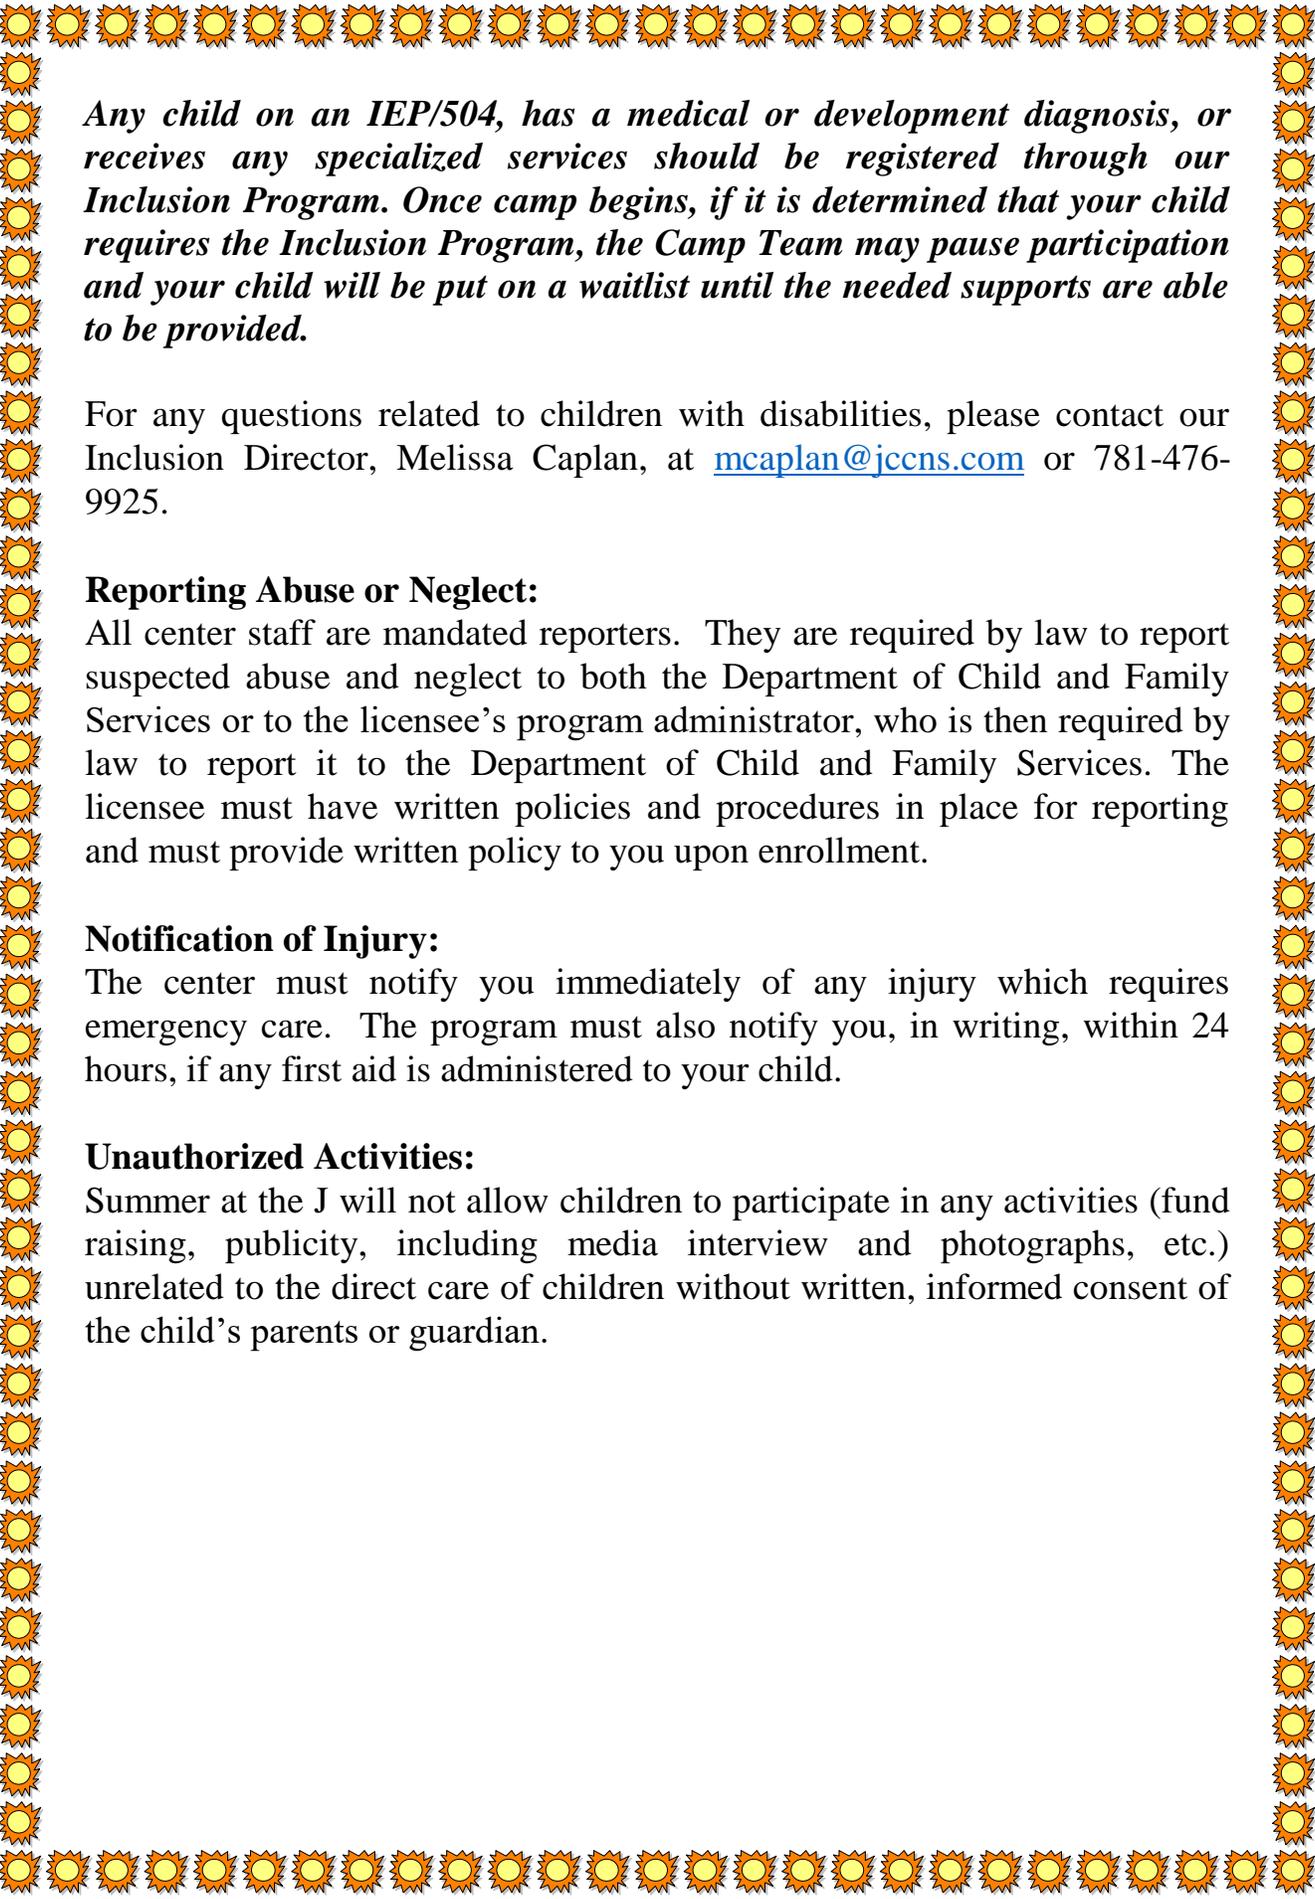

The Jewish Community Center of the North Shore, as an agency, is committed to the safety and well-being of all children of all ages, races and religions. As a part of this commitment, the staff is made aware of the signs and reporting procedures involving cases in which a child is suspected of having been abused or neglected. Abuse is defined as the non-accidental commission of any act by a caretaker who causes or creates a substantial risk of harm to a child's physical or emotional well-being, including sexual abuse. Neglect is defined as the failure of a caregiver to provide a child with minimally adequate food, safety, clothing, shelter, medical care, supervision or other essential care. Training in this regard takes place during the staff's orientation sessions at the beginning of each summer.

**All questions should be referred to:*

Department of Child and Family Services, Salem/Cape Ann 978-825-3800.

14. Children with Disabilities:

Summer at the J services children with disabilities. The Camp department of the JCCNS will make every effort possible to accommodate the needs of all children. In determining whether to accept or serve a child with a disability, the JCCNS shall, with parental consent and as appropriate, request information related to the child's participation in the Center's program from the Local Education Agency, Early Intervention Program or other health or service providers.

Any child on an IEP/504, has a medical or development diagnosis, or receives any specialized services should be registered through our Inclusion Program. Once camp begins, if it is determined that your child requires the Inclusion Program, the Camp Team may pause participation and your child will be put on a waitlist until the needed supports are able to be provided.

For any questions related to children with disabilities, please contact our Inclusion Director, Melissa Caplan, at mcaplan@jccns.com or 781-476-9925.

Reporting Abuse or Neglect:

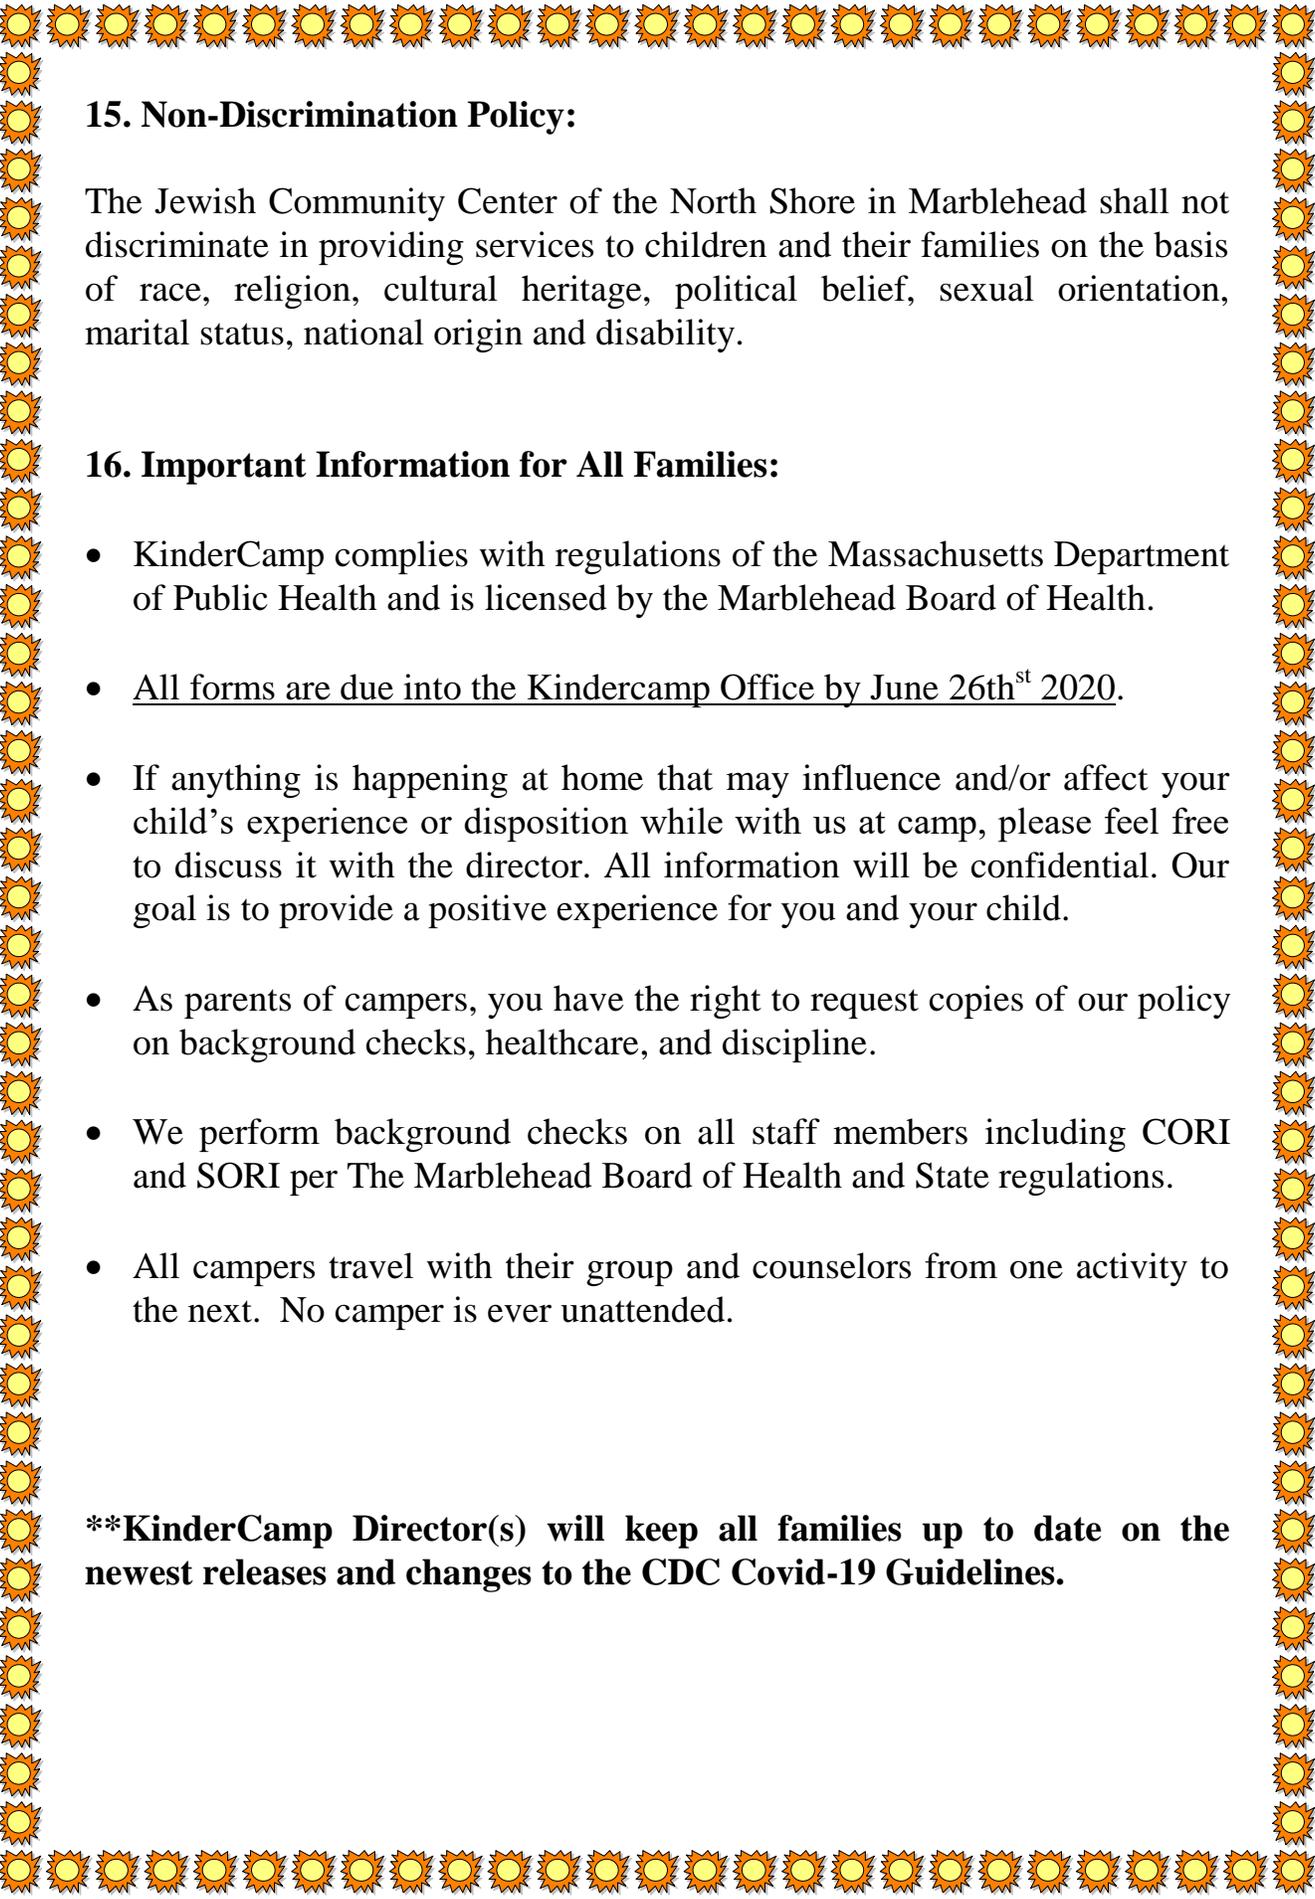

All center staff are mandated reporters. They are required by law to report suspected abuse and neglect to both the Department of Child and Family Services or to the licensee’s program administrator, who is then required by law to report it to the Department of Child and Family Services. The licensee must have written policies and procedures in place for reporting and must provide written policy to you upon enrollment.

Notification of Injury:

The center must notify you immediately of any injury which requires emergency care. The program must also notify you, in writing, within 24 hours, if any first aid is administered to your child.

Unauthorized Activities:

Summer at the J will not allow children to participate in any activities (fund raising, publicity, including media interview and photographs, etc.) unrelated to the direct care of children without written, informed consent of the child’s parents or guardian.

15. Non-Discrimination Policy:

The Jewish Community Center of the North Shore in Marblehead shall not discriminate in providing services to children and their families on the basis of race, religion, cultural heritage, political belief, sexual orientation, marital status, national origin and disability.
